

 *Thursday, September 24*

The captain and crew will gather in the *bridge* and set our bearings to the South as we sail for sunny, exotic Mexico. When we arrive, we'll need all *hands on deck* for the **Patient Fiesta from 2 to 4 p.m.** Shuffleboard & other exciting games will keep the patients in *ship shape* and add to the *wave* of fun! We'll even go a little *overboard* and throw in fun snacks, bandanas, live music and *muy mucho* prizes to add to the *splashing* good time. *Ole!*

 *Friday September 25*

Cruise into the *galley* (Public Dining Room) for some **delicious omelets**.

Before we *dock* for our final *departure* home, we'll pull up our *deck chairs* for one more round of fun! *Ship stewards* will *scour the ship* from top to bottom to deliver *sailor thumbprints* & *cool, refreshing drinks* with a **Roving Take-A-Break from 2 to 4 p.m.** The cart will *float* from floor to floor and will make a stop at each *deck* (nurses station/gym).

Since this is our final day of *cruising*, it is also the day to pull out the *souvenir*

Rehab Week T-shirts and wear them with your jeans. (Just like a *wave rolls* again and again to shore, you'll want to repeat this attire on **Saturday** too!).

Throughout the Cruise

Sail into the *Galley* (a.k.a. Dining Room) for **seaworthy menu items throughout the week.**

You can also participate in the **Ecuador Excursion.** *Drop anchor* in the lobby or the Fitness Center and donate any new or old **eyeglasses (reading or prescription)** that you are not using anymore to the *treasure chest*. We are also collecting **wheelchairs & parts, canes, walkers, etc. for DOCare.** All of the *loot* collected will be taken by Dr. Crook to Ecuador to help those in need. THANKS in advance for your donations, which will help *Caring People Cruiselines* spread our motto of caring across the globe! Be sure to let your family, friends, neighbors and community know about this collection as well. Our donations will be a true *treasure* for someone in need.

We know that many of you spend your free time **Cruising to Make a Difference in the Community**, and this week, we are **SAILebrating YOU!** Cruise into the **Public Dining Room** to see the **names and photos of coworkers who volunteer** time in our community, because caring doesn't just happen within the walls of Siskin Hospital
Thank you for all the lives you touch both here and everywhere you sail!

Photos of those who volunteer here at Siskin Hospital and pets from our Pet Therapy Program will also be posted throughout the ship.
