Welcome aboard! Thank you for sailing with Caring People Cruiselines. Hope you have your sealegs, 'cause we'll be starting our *ocean voyage* with a *cruise* around the hospital with the **Bon Voyage Roving Breakfast Cart**. No need to come down to the *ship's galley* this morning, because the *maitre d'* will bring the donuts, granola bars, juice and coffee to your *cabin* (a.k.a. office), *deck* (gyms) or wherever else you may be in the *ship* (a.k.a. hospital) **from 6 - 9 a.m.**

You will also be able to *chart your course* for the trip with the **Rehab Week Calendar** of events, and don't forget to ask the *cruise director* for your official **Rehab Week ribbon**.

Patients will also receive their **Rehab Week ribbons**, along with their *itinerary* for the week (calendars) and their **boarding passes**. They can also take part in various **deck games** throughout the ship.

Be sure to take part in our **Getting To Know Your Fellow Passengers Trivia Game**. Stop by the *Galley* (Public Dining Room) to match *passenger* (a.k.a. coworker's) names with a unique fact about him or herself. The game will end at **4 p.m. on Friday**. A prize will be *reeled in* by the person with the most matches.
